## PNSQC 2013 Speaker Videos Now Showing
## Get Ready for PNSQC 2014, Oct. 20-22

As we wrap up PNSQC 2013, we wanted to provide you an opportunity to review the materials presented this year. The videos from the Keynote Speakers, **Michael Mah** and **Capers Jones** are now available. We have also posted the videos from **invited speakers** for your viewing.

**The PNSQC 2013 Proceedings [20MB]** are available online, as well as the slides from the **Technical Program**. We hope this reading material will keep you inspired and connected to software quality over the upcoming holiday season. Enjoy!

PNSQC 2014 dates are set - please mark your calendar for October 20-22 at the World Trade Center - Portland. **The Call for Abstracts** is open as we explore *Bridges To Quality.*

*The mission of PNSQC is to enable knowledge exchange to produce higher quality software.*
